Identity theft has been one of the top complaints filed with the FTC for the last 16 years. Victims are spending an exorbitant amount of time and money dealing with it. You need an established institution that understands all the potential threats, how to prevent them and how to restore any damage done. You need IDShield.

Unexpected legal questions arise every day, and with LegalShield on your side, you'll have access to a quality law firm 24/7, for covered emergency situations. For as little as \$20 a month, LegalShield gives you the ability to talk to an attorney on any personal legal matter without worrying about high hourly costs.

- Social Media Monitoring
- Privacy and Security Monitoring – Internet
